

# CW Akalos

CW Akalos  
(Bey Intuishahn E x GW Barbidansk)  
15.3 hh 2006 Grey Gelding

Akalos is a very special gelding, a beautiful mover and one that could take you to the Nationals in halter or under saddle. Akalos is top halter quality, proving this with Yearling Halter Futurity Championships. This young man is big and smooth, with a long hooky neck, beautiful face and lots of trot in hand.

Akalos will be a powerful force in the Hunter Pleasure division, as he is just an over all great athlete, with a big stride and a great deal of presence. However, the best recipe for champion Western Pleasure horses out there today is a big body with natural, strong movement and the discipline to control that body and movement in combination with Halter horse beauty. So, Western Pleasure isn't out of his realm either. Akalos has a strong future in either discipline. He even has enough knee action to possibly go Show Hack. Akalos' sweet demeanor makes him a perfect amateur mount candidate, but he has the right stuff to compete in the open with professionals also.

For the buyer who wants a horse that is versatile, fancy, friendly and pretty - then look no further. Akalos is your man! He is currently in training to be started under saddle. A good foundation is under way and he will be ready to go any direction of your choice.

**Akalos is offered by Private Treaty.**
